Notes:

This Drawing is to be read in conjunction with the relevant Floor Plans, Particular Specification.

Refer to Particular & General Specification for Full Specification. Particular Specification takes precedence over General Specification.

Do not scale drawings. Use figured dimensions only.

All dimensions should be surveyed by the Contractor before construction.

Capital Housing Team Architect to be informed of any discrepancies before work proceeds.

All work is to be carried out in compliance with the following:

- The current Building Regulations as issued by the Department of the Environment including all latest updates as issued.
- Compliance with conditions of Planning.
- Recommendations for Site Development Works for Housing Areas DOECLG 1998.
- BS 8000: 2011- Works on Building Sites.
- Guidelines for opening, backfilling and reinstatement of trenches in public roads - DOECLG 2002
- All works to comply with E.T.C.I. Regulations.

All level shown are indicative only. Please refer to Engineers drawings for proposed levels.
